

## **Invitation to participate in TOSC, IIT Kanpur**

**Techkriti Open School Championship** is an annual competition for classes 9th to 12th conducted and organized by **Techkriti, IIT Kanpur**. The championship consists of two phases in which the students will form a team of two to compete for the coveted championship. Phase 1 consists of an offline examination (of 90 mins) in your respective city and the question paper comprises of Mental Ability, Aptitude, Puzzles. The teams qualifying phase 1 will get an opportunity to visit IIT Kanpur for the final phase, where they will be further tested upon some additional activities to decide the overall winners. Also, there will be various other talks, workshops and in phase 2 for students. No previous knowledge is required to participate, the only prerequisite is enthusiasm and confidence.

Our mission is to strengthen and cultivate the talent of our nation at the grassroots level, which serves our sole motive. Through a series of events involving mental aptitude, logic, and scrutiny, it seeks to provide school students a platform to gain fundamental experience and knowledge, to exercise coordination skills, and to think out of the box while providing solutions never thought before.

Last year, TOSC witnessed overall participation of **12000+** students from all over India with a workshop on Robotics and an interactive session with Professor HC Verma.

There are lots of exciting prizes for students. The top prizes include guided tours to the **Indian Space Research Organization (ISRO)** and Smart Gadgets. The attached TOSC Brochure and other documents will give you a better insight into the pan India Competition. Looking forward to an enthusiastic response from the students of your schools.

**The online registration will start from 25th July, 2019.**
