

The Sports Stay Back Program 2019-20 (Classes IV-X)

Dear Parents

Namaste

We are pleased to inform you that the '**Sports Stay Back Program**' for the session 2019-20 will commence from June 25, 2019.

This program aims to enhance the sporting skills and fitness of your ward for his/her chosen sport under the guidance of our expert sports mentor. The well planned schedules and coaching sessions will help your ward to strive harder to excel as a sportsperson. The skills would be worked upon by our coaches and we are sure that students will benefit immensely from the same.

To motivate students towards sports, various in-house competitions will be organised and winners will be awarded medals and trophies.

In order to meet the additional expenses of transport (additional plying of buses), snacks/fruits and the added remuneration of coaches, drivers and conductors, an annual fee of ₹.10,500 (Ten thousand and five hundred only) will be levied. This fee, along with the form is to be submitted before June 25, 2019.

In order to promote sporting activities in school, motivate the students to play sports everyday and to encourage them to be regular, the whole fee of ₹10,500/- will be refunded at the end of the session, if a student achieves 95 % attendance in this programme.

Relaxation of 5% in attendance will be given on medical grounds. We strongly believe that students should continue playing sports even during examinations or reviews. Studying and playing should go hand in hand. We have a good number of students who play everyday and still perform very well in the examinations. This is possible through Time Management.

Terms and Conditions

1. The trainee must bring his/her sports kit every day.
2. The sports stay back will be on Monday, Tuesday, Thursday and Friday throughout the year on school working days: excluding a couple of examinations, annual function or special event days for which prior information would be provided.
3. Attendance of the trainee will be marked daily.
4. It is compulsory for all the trainees to wear/use the suggested protective gear/s and sports kit, for their respective sports.
5. For Class III only swimming is being offered at present.
